**LinkedIn:** [www.linkedin.com/in/sajid-alee/](https://www.linkedin.com/in/sajid-alee/)

**Home:** al sabah chowk sonikote gilgit, 15100 Gilgit (Pakistan)

## OBJECTIVE

### IT Graduate with a Focus on Advanced Research

An IT graduate with a strong computer science background, dedicated to advancing expertise through continuous learning and research. I am self-motivated, passionate, and eager to engage in research that challenges me to become a skilled researcher, contributing innovative solutions and staying ahead in technological advancements.

## RESEARCH DIRECTION

### Field Of Interests

Artificial Intelligence, Machine learning, Deep learning, Image Processing Computer Networking, Cloud Computing, Pattern Recognition, Cyber Security, Software Engineering, and Database Technology

## EDUCATION AND TRAINING

### Bachelor of Science in Information Technology

*Karakorum International University Gilgit Baltistan, Pakistan* [ 06/09/2019 – 10/10/2023 ]

City: Gilgit | Country: Pakistan | Field(s) of study: Computer Science | Final grade: CGPA: 3.40 / 4.0

## FINAL YEAR PROJECT & RESEARCH

### Child Speech Enhancement Initiative

- Designed and developed interactive digital tools to support children's early speech development.
- Collaborated with speech therapists and educators to refine the technology for better real-world application.
- Conducted data analysis on speech patterns to continuously improve the tool's effectiveness, paving the way for innovative early intervention strategies.

## WORK EXPERIENCE

### Full-Stack Web Developer

*Geo Lab's and Solutions* [ 12/08/2023 – Current ]

City: Gilgit | Country: Pakistan

- Full Stack Developer with expertise in building and maintaining responsive websites using HTML, CSS, JavaScript, React.js, PHP, Laravel, and MySQL.
- Developed end-to-end web applications, ensuring smooth integration between front-end interfaces and back-end functionality for optimal user experiences.
- Designed and implemented scalable, secure, and user-friendly solutions, focusing on performance, cross-browser compatibility, and seamless database management.

### Web Developer | React JS Developer

*UrbanSofts* [ 10/02/2023 – 08/08/2023 ]

City: islamabad | Country: Pakistan

- Engineered custom React.js components, enabling faster feature development and

scalability.

- Worked closely with design teams to translate UI/UX designs into interactive, responsive web applications.
- Integrated third-party libraries and APIs, expanding the functionality and versatility of web applications.

## Front-end Web Developer

**Techzoid Pvt Ltd** [ 10/05/2021 – 05/02/2023 ]

City: Gilgit | Country: Pakistan

- Developed responsive user interfaces for web applications, enhancing user experience and increasing customer engagement.
- Optimized front-end performance, reducing page load times and boosting overall website speed.
- Collaborated with design and backend teams to implement new features, resulting in improvement in user retention.

## CERTIFICATIONS

---

### Machine Learning Specialization

I have successfully completed the 'Machine Learning Specialization' courses from Google on Coursera, where I gained a comprehensive understanding of machine learning algorithms, data analysis, and model optimization techniques.

### IBM Artificial Intelligence Engineering

I have successfully completed the 'IBM AI Engineering specialization' on Coursera, gaining in-depth knowledge in artificial intelligence and machine learning techniques.

### Certified Web Developer by Techzoid Pvt Ltd

Certified in Frontend and Backend Development by Techzoid Pvt Ltd, with expertise in HTML, CSS, JavaScript, React.js, Next.js, Node.js, Express.js, and MongoDB. Experienced in developing responsive and dynamic web applications.

## ACHIEVEMENTS

[ 03/02/2024 – Current ]

### Founder & Developer – Seasonal Sights

- Founded and developed Seasonal Sights (seasonalsights.com), a blog that focuses on health and tourism, providing valuable insights into maintaining wellness while traveling.
- Built the platform using React.js and Node.js, ensuring a responsive, user-friendly design and optimized performance for a growing global audience.
- Leveraged SEO strategies and social media marketing to increase readership by 15% in the first six months, demonstrating my ability to apply technical and marketing skills to grow a digital product.
